

Dear Sirs/Mesdames, I am writing to urge you to expand community radio, including Low Power FM radio, so that it can reach my neighborhood. As with many of my fellow community residents, I urge you to ensure the protection of local news broadcasts and to give local citizens the power to make their voices heard on their own airwaves. I urge the FCC to restrict the power of big companies like Clear Channel and Viacom to prevent the formation of monopolies which are attempting to purchase all the stations in my local area.
